

FISH ON!

Check for *electronic* tags

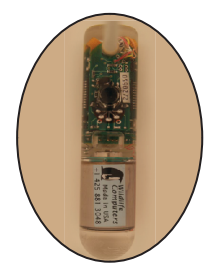

1 Satellite Tag (dorsal fin)

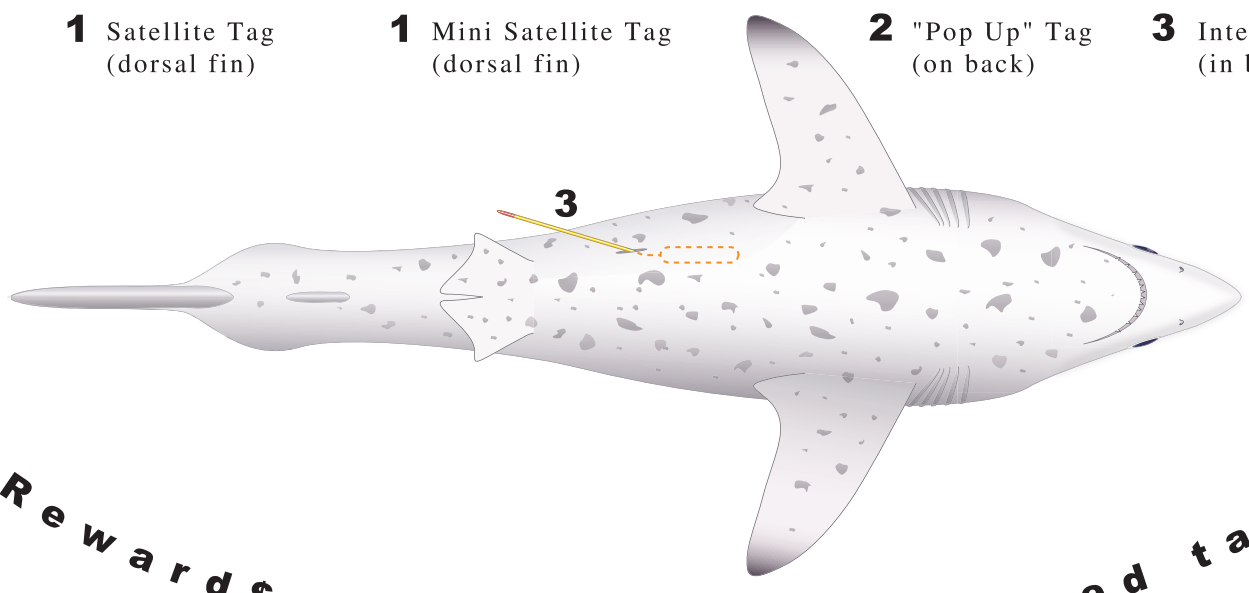

1 Mini Satellite Tag (dorsal fin)

2 "Pop Up" Tag (on back)

3 Internal Tag (in belly)

Rewards available for returned tags

The Tagging of Pacific Pelagics program (TOPP; www.topp Census.org) wants your help! If you remove an electronic tag from a salmon shark or find one on the beach please handle it with care and keep it cool. Contact TOPP (not ADFG) at 866-292-6726, dkohrs@stanford.edu or the info printed on the tag to claim your \$\$\$ reward. All current Alaska Department of Fish & Game regulations are applicable.
